

Dear Stallholders,

The Alexandra Easter Market will be held on Saturday, April 15 and the Clyde Wine and Food Harvest Festival on Sunday, April 16, 2017.

Attached are the market registration forms for both events. If you wish to book a site at one or both please fill in the form(s) and return it with payment (details on the forms).

If you wish to attend both events please DO NOT make one payment to cover both. These markets are organised by two different community groups with no connection to each other and separate payment is required.

You can use the same envelope for both registration forms.

Please read the information carefully. It is time-consuming and frustrating to have to deal with inquiries on matters already included in the information.

If you have any questions not covered in the general information, please contact me.

Thank you,  
Louise Joyce
